

Great Food for your Events!

That's what we do! **John's Pizza Café** is here to help you make your event special. John's catering may be as simple as Pick-up or Delivery or casual to a little more elegant with white tablecloths and a beautiful buffet for Dining in our **Garden Room**.

Great food is made from scratch rather than processed food from cans or frozen pouches. We use fresh, quality ingredients and cook from scratch. **John's** is your best choice. Your guests will notice the difference!

John's offers a variety of favorites for small or large groups. For a pleasing way to provide for larger groups easily, our Pizzas, Pans of Pasta, Salad Bowls and Desserts are a popular great combination and ideal for Pick-up or Delivery.

For Dine-in, our **Garden Room** may be available upon advance request for groups up to 40 or to reserve seating for small groups. We are able to serve your guests in a casual or semi-formal setting buffet or family style.

Use **JOHN'S** main menu to order Pizzas, Hoagies, and Signature entrees. In addition to the main menu, **JOHN'S** offers special items from our catering menu. We are also flexible and willing to accommodate special requests as we are able. Contact our events coordinator in advance at 651-488-1922 to discuss menu ideas or reserve our Garden Room. Advance notice is necessary to accommodate event requests as we accept requests on a first come basis.
